

Association of Estate Agents Namibia

Dear Estate Agents

What is the AEAN?

There is a great distinction between ourselves (the **Association of Estate Agents Namibia**) being a professional body representing and protecting the interests of all Estate Agents in Namibia (similar to the Institute of Chartered Accountants to its members). Whilst the **Namibia Estate Agents Board's** mandate is to protect the public against possible misconduct by the Estate Agents.

New AEAN Council

The new Council was elected on 4 August 2017. We are honored to have this opportunity and it is our mission to make a difference in the Estate Agency industry. We are looking forward to this new venture where we will use our combined knowledge to create value for our Members and to build our future together.

Our immediate focus (goals) will be to...

1. Create value for our Members.
2. Increase our Membership-base.
3. Provide training to our Members.
4. Represent all our Members in the Industry.
5. Create a platform for Members to raise their concerns and opinions.
6. Build positive relationships with Government and the Namibia Estate Agents Board.

We trust that it is in the interest of the public to specifically utilize the services of Estate Agents that are registered with the Association, as our Members are exposed to more relevant information, constant training and enhancement of their knowledge and skills of trade. Thus, by demanding the services of a Member, the public can assist us in ensuring that the property industry in our country is protected to a larger extent.

We created and published our Facebook page www.facebook.com/aean.com.na and encourage you to join this page for continuous updates on the Association's doings.

The new Associations website www.aean.com.na was revealed at the Trevor Gaw Training on 8 & 9 March 2018. The new website will be improved as required to assist our Members and the public in the industry. Lots of excitement in the Association for this website as we do believe that this medium will encourage more Estate Agents to join us as we will be hosting lots of valuable content for Members.
